Location:

**Great Plains Technology Center
4500 W. Lee Blvd.
Auditorium, Main Building, Room 118
Lawton, OK 73505**

*Keynote Speaker
Dr. Thom Balmer, PhD, LMFT*

Dr. Thom D. Balmer has been a licensed professional counselor and licensed marital and family therapist since 1984 and 1994 respectively. He has practiced in Kentucky, Texas, and Oklahoma as an inpatient, residential, and outpatient counselor and director. He is currently an Associate Professor of Psychology with Cameron University. He was the first Chair of the Oklahoma Board of Behavioral Health Licensure in 2013 and 2014, and is currently a Board member representing LMFT's. Thom loves to learn and loves to teach. He believes being healthy in physical, emotional, relational, spiritual, economic, and nutrition ways is paramount for providers.

Educational Objectives

Morning:

1. Participants will learn how trauma impacts the systems of thinking, responding, and feeling
2. Participants will be introduced to how emotional neutral responses assist in de-escalation
3. Participants will learn about developmental injury and trauma residue
4. Participants will learn how to support brain development in traumatized youth

Afternoon:

5. Participants will learn how misconduct impacts ethical behavior
6. Participants will learn the important factors and background qualities of counselor
7. Participants will be able to delineate between negative and positive motivators for helping
